4 REASONS TO CHOOSE SKINJAY

01

STAND OUT

While bathrooms in hotels worldwide have been offering the same facilities for 30 years, Skinjay lets you stand out from your competitors.

02

SURPRISE

To date, there are no other solutions next to Skinay in the hospitality industry that allow you to offer a truly new customer experience in the bathroom, without considerable investment, without the need for works, and without altering the existing amenities.

03

ATTRACT AND WIN LOYALTY

Skinjay is an answer to your customers' search for innovation and naturalness and encourages them to return. Skinjay allows you to personalise your services focused on well-being by meeting the various needs of your customers. Everyone is bound to find the capsule best suited to them depending on their mood, lifestyle, or wishes...

04

BUILD YOUR REPUTATION

Make showering an unforgettable customer experience in your hotel and a way to build your reputation. The Skinjay experience is so distinctive and surprising that your customers will be compelled to talk about it and share their thoughts on social media and travel sites.

LET'S BUILD YOUR BESPOKE SKINJAY SERVICE TOGETHER

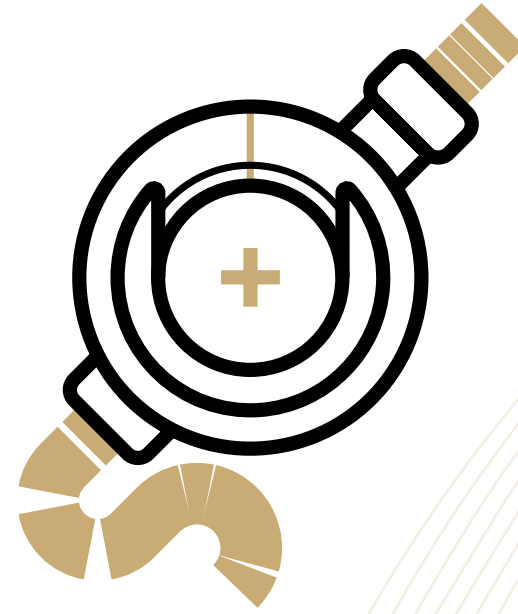

01

During the first telephone conversation, we will outline your project together.

02

We will come give a demonstration at your hotel.

03

Your technical team will install the Skinjay Modules in your showers in a few easy steps.

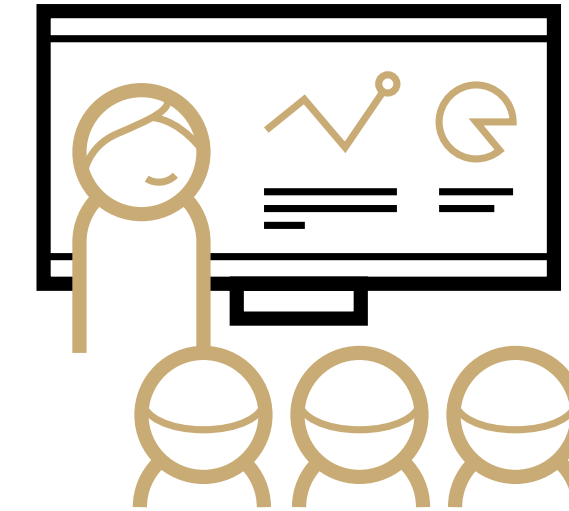

04

We will provide you with the information materials that explain the capsules and how they are used to your customers.

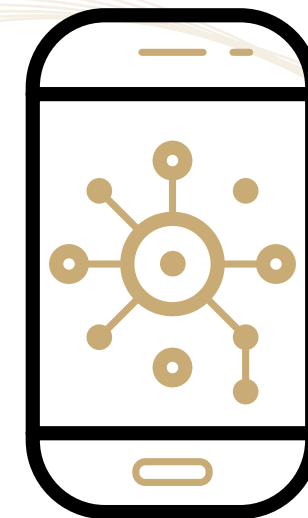

05

We will train your in-house Skinjay sales and promotion teams.

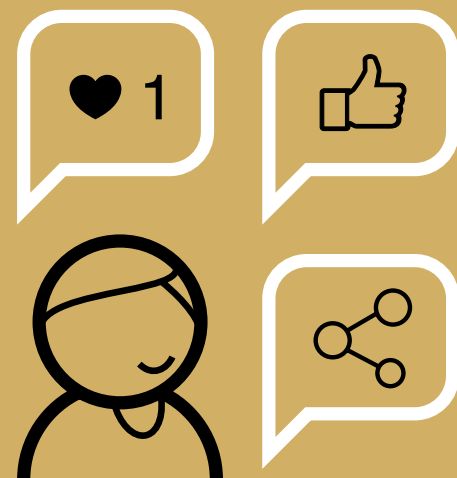

06

We will provide you with content that you can share on your various social media sites and website to promote the introduction of Skinjay.

07

Your customers will be happy, return to your hotel, and share their experiences.
